

Michigan Postsecondary Education and Employment Consortium

Join us for the first annual

MICHIGAN POSTSECONDARY EDUCATION PROGRAM PLANNING INSTITUTE

June 12 – 14, 2018

Kalamazoo, MI 49008

SAVE THE DATE

- Why** The purpose of this Institute is to increase understanding of resources available for and facilitate planning and implementation of inclusive postsecondary education and employment programs for students with intellectual disabilities in all types of postsecondary education institutions: **universities, state and community colleges, and career tech centers.**
- Who** **This is a team-focused event** for postsecondary education program planning **teams** representing a higher education institution or career tech district consisting of higher education faculty and staff, disability service providers, special populations coordinators, K-12 transition staff, parents, students, and other relevant stakeholders.
- What** The institute format includes keynote sessions with postsecondary education leaders, breakout content sessions, **facilitated team planning meetings**, opportunities for your **team** to meet one-on-one with national and state content experts, and networking with colleagues from across the state. **See our draft agenda for details.**
- Cost** There is **no registration fee** for this event. Teams will need to cover their expenses for the event.
- Content** Breakout sessions may feature information regarding:
- Think College! resources
 - Program design and curricula
 - Employment-focused credentials
 - Federal CTP process and resources
 - Work-based learning strategies
 - Working with vocational rehabilitation
 - Building a sustainable program
 - Financial aid
 - Residential options for students
 - Student mentoring strategies
- Registration** Registration information and hotel reservation links will be coming soon. All participants must register to ensure your role on a team or in another capacity.

We look forward to seeing you in June!
